

## "I did not sleep a night for seven long weeks."

That prolonged period of sleeplessness is most expressive of the pain and suffering caused by womanly diseases. It is pleasant to contrast the medical inefficiency which said "I could not sleep a night for seven long weeks" with the prompt and permanent cure effected by the use of Dr. Pierce's Favorite Prescription. This great medicine for women establishes regularity, cures enfeebling diseases, heals inflammation and ulceration and cures female weakness.

"I take great pleasure in recommending Dr. Pierce's Favorite Prescription and 'Pleasant Pellets.' After taking two bottles I could sleep all night, and after taking six bottles of 'Pleasant Pellets' I was cured. I had told my husband I would have to die, but it seemed I could not live. He told me to put faith in Dr. Pierce's medicines, for he had cured others and would cure me. I did, and I thank God for your medicine for saving my life."

Dr. Pierce's Common Sense Medical Adviser, 700 large pages, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the book in cloth binding, or only 21 stamps for the paper covered volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

## THE BLACK PERIL AT PORTSMOUTH

Mark Banks to Hang for Assaulting Mrs. J. B. Connolly.

SUSPECT UNDER ARREST

The Joynes Brothers Fined For Assaulting Thompson and Sent on to the Grand Jury—New Hotel to Take Place of the Burned Atlantic.

(Special Dispatch to The Times.) NORFOLK, Va., April 21.—Mark Banks (colored), was at Portsmouth today, convicted of assaulting Mrs. J. B. Connolly, and was sentenced to be hanged May 30th. Banks committed the crime last Wednesday, was shortly afterward captured and subsequently admitted his guilt. He was indicted to-day by the grand jury and was subsequently convicted in the Norfolk County Court, Judge Portlock presiding. He will be hanged on the gallows upon which Neal Stanback was recently hanged for attempting the crime which Banks committed.

CAMP NAB LYNCHING. George Banks (colored), suspected of attempting to assault Miss Jane, fifteen-year-old daughter of Mr. John Maher, near Berkeley last Sunday night, will be accorded a hearing to-morrow. He was conveyed after he was captured yesterday, and subsequently taken from his captors by a mob, who debated lynching, but finally returned him to the officers of the law. The proof against the prisoner was considered complete, but his intended victim will be given an opportunity of trying to-morrow to identify him as her assailant.

JOYNES BROS. FINED AND SENT ON. Napoleon Bonaparte Joynes, W. L. Joynes, his brother, and Arthur Minier, charged with assaulting Editor Thompson, Foreman Hurt and Frossman Wright, of the Norfolk Dispatch, when that paper was "rough-housed" last week, were tried to-day in the Police Court. W. L. Joynes, who knocked or kicked out one of Pressman Wright's teeth and beat him otherwise, was held for the grand jury in \$500 bail and was fined \$25 and costs.

N. B. Joynes was convicted of assault upon Editor Thompson and was fined \$25 and costs. Both men appealed. Judge Thomas R. Wilcox asked Justice Taylor to reduce the fines of each to \$10, but he refused.

Council Wilcox also offered N. B. Joynes as bondsman for his brother, but the court refused to accept him and M. Hoehner became bondsman. Minier, admittedly present, could not be proved to have committed an assault, was discharged.

THE BLOOD FLOWED. The Joynes brothers said upon the stand that N. B. Joynes resented the publication of the Dispatch of an article alleging that he kept a crap room in connection with the blood flow. He was charged to keep others off went down to the newspaper office. There N. B. Joynes said that he wanted an explanation of the reason for printing the article and before Editor Thompson answered, he was hit on the head and blinded the editor, who, as he swore to, went out of the narrow office fearing to be killed and desiring to have a fair chance in the street where he struck Joynes, who followed him out.

Mr. Andrew J. Tynes, car inspector for the Southern Railway, run over by a train at Pinney's Point recently, died yesterday from his wounds.

NEW ATLANTIC HOTEL. The Williams syndicate is beginning to erect upon the site of the burned Atlantic Hotel a new hotel and office building to cost \$200,000. It will be five stories high and will take a year to build.

Captain W. W. Lyon, of the tug Edward P. Avery, fell overboard to-day and was dragged some distance under water before he was hauled out. It was long before he was rescued.

A DIRTY CATCH. Captain Miles, who arrived here yesterday, reported that on April 19th he passed thirty-two miles southwest, half south, the whole deck of a wooden vessel awash with nothing standing. The beams and hatch comings were visible. The wreck is in the path of the fast-moving vessels and is a dangerous obstruction. It is probably the remains of one of the coal barges recently wrecked in that vicinity.

ELEGANT RESIDENCE BURNED. Senator W. L. Jordan's Home Destroyed Sunday Morning. (Special Dispatch to The Times.)

SOUTH BOSTON, Va., April 21.—The beautiful home of former Senator W. L. Jordan, which was destroyed by fire yesterday morning, just as the church bells finished calling the people to public worship the fire had reached the adjacent residence of the Senator. The fire broke out at 11 o'clock and by 1 o'clock the elegant home was in ashes, although most of the furniture was saved.

The fire department rendered good service in preventing the spread of the fire to the adjacent property. The adjacent residence of Mr. W. H. Shepherd and Mr. J. D. Fry being in constant danger, while that of Mr. J. W. Fry, who lives in a small house, was quickly extinguished by the prompt action of the department. Mr. Jordan's loss was estimated at \$200,000. It is thought that the fire caught from a defective fuse.

ARRANGEMENTS have been completed for a service to be held next Sunday at the First Baptist Church to the memory of the late Dr. H. A. Tupper. Among the speakers will be Dr. J. B. Hawthorne, Dr. George Cooper, Dr. C. H. Winston, Dr. James Nelson and Dr. F. W. Boatwright.

## BUFFALO LITHIA WATER

The Great Solvent and Eliminator of URIC ACID and other POISONS

Its Value in Gout, Rheumatism, etc.

Hunter McGuire, M. D., LL. D., late President and Professor of Clinical Surgery, University College of Medicine, Richmond, Va., and President American Medical Association, says: "BUFFALO LITHIA WATER is an alkaline medicine. In uric acid gravel, and, indeed, in diseases generally depending upon a uric acid diathesis, it is a remedy of extraordinary potency. I have prescribed it in cases of Rheumatic Gout, which had resisted the ordinary remedies, with wonderfully good results. I have used it also in my own case, being a great sufferer from this malady, and have derived more benefit from it than from any other remedy, and I will add that I prescribe this water ten times where I prescribe any other one."

James K. Crook, A. M., M. D., Adjunct Professor of Clinical Medicine and Physical Diagnosis at the New York Post-Graduate Medical School (see "Mineral Waters of the" Buffalo Lithia Water has gained a "United States" by him): "BUFFALO LITHIA WATER" has great reputation, especially in the treatment of Uric Acid Diathesis, Gout, Rheumatism, Renal Calculus, Stone in the Bladder and Gastro-intestinal Disorders."

## MEETING OF THE CONVENTION

Episcopal Ministers Leave City To-Day—Presbytery to Meet.

PASTOR FOR RANDOLPH ST.

Rev. J. S. Boyles Accepts Call to That Church—Presbyterian Ministers Go to Petersburg—Sermon on "The Devil"—Other News.

Most of the Episcopal ministers of the city will leave to-day for West Point to attend the meeting of the Richmond Convention, the opening session of which will be held to-night. They will be gone for several days, but will return in time for the services of next Sunday.

So far as is known no matters out of the usual routine are to be brought for discussion at the meeting of the convention. At the preliminary service to-night, with preaching and on to-morrow morning at 11 o'clock the convocation sermon will be preached by the Rev. L. R. Combes, of Columbia. Dr. W. E. Evans, of this city; the Rev. S. H. Hepler, of the Barton Heights Baptist Church; the Rev. W. P. Crutcher, of the Barton Heights Baptist Church; and the Rev. J. J. Gravatt, rector of Holy Trinity Church, of this city, will preside at the meeting.

The annual meeting of East Hanover Presbytery will begin this evening in the Old-Street Presbyterian Church, of Petersburg. The body will be assisted by several reports from all the churches will be received, and the report of the Presbytery itself will be gotten in shape for submission to the General Assembly next month. The report of the Committee on Ecclesiastical Commissions, which was published in the Herald, will be a stand for a continuance of the question for another year, will also be received.

Among the speakers at the meeting of the presbytery will be Dr. John S. Miller, of Philadelphia, who is connected with the home mission work of the General Assembly of the Northern Presbyterian Churches. Dr. McIntosh was in Richmond yesterday, and delivered an address at the meeting of the Presbytery ministers. The subject was "The Great Forward Movement in the Home Mission Work of the Presbyterian Church in America."

A morning service at the Randolph-Street Baptist Church Sunday a letter was read from the Rev. J. S. Boyles, accepting the call recently extended to him by the church.

While the time has not been definitely fixed, it is expected that he will attend upon his new work about the 1st of May.

For nearly a year Mr. Boyles has been acting in the capacity of field editor for the Religious Herald, published here. Prior to his connection with the Herald he was for some time pastor of the Baptist Church at Williamsburg, Va., where the Rev. H. T. Louthan, formerly of this city, is now stationed. Mr. Boyles is well known in the city and is considered one of the brightest young preachers in Virginia. The Randolph-Street Church has been without a pastor since the departure of the Rev. E. S. Tuttle last January.

The Rev. J. W. Porter, D. D., pastor of the First Baptist Church of Newport News, preached in this city Sunday for the first time. Large audiences were present at his services. At the Men's Meeting in the auditorium of the Y. M. C. A. Sunday afternoon Mr. Porter delivered a splendid address on "Bring Me Up Samuel." He gave several reasons why men should become Christians. The Virginia Glee Club conducted the musical programme and Mrs. Sallie Montgomery Brown sang a solo. There were two requests for prayer.

The attendance at Broadus-Memorial Bible School Sunday was the largest in the history of the organization. After the study of the regular lesson, Professor A. S. Steer, of the Union University, delivered a very interesting and instructive talk on "Bible Physiology," illustrating great truths as he proceeded to discuss the question, first, by taking a beautiful power, dissecting it and calling attention to the interesting features in connection with it.

Arrangements have been completed for a service to be held next Sunday at the First Baptist Church to the memory of the late Dr. H. A. Tupper. Among the speakers will be Dr. J. B. Hawthorne, Dr. George Cooper, Dr. C. H. Winston, Dr. James Nelson and Dr. F. W. Boatwright.

"The Devil" will be the subject of Rev. F. W. Troy's sermon to-night at Marshall-Street Christian Church. Sunday night the audience overflowed the house to hear him on "What Is Conversion?" The meeting, which have been in progress in this church for the last two weeks will be continued through this week. The attendance at baptism will be

week. The ordinance of baptism was administered last night.

At the morning service Sunday at the Barton Heights Baptist Church \$60 was raised for foreign missions. Next Sunday the congregation will make an effort to raise the church debt.

A revival service will be held at the Barton Heights Church, beginning the third Sunday of May. The pastor will be assisted by the Rev. L. S. Boyles.

The district stewards of the Richmond District of the Methodist Conference assessed the Fairmount-Avenue Church a sum of \$600 for benevolent and missionary purposes. Sunday Rev. J. O. Hubbard, the pastor, preached on the subject "The People responded liberally and in a short time the pastor had \$300 in cash and good subscribers."

Dr. Chester, secretary of the Foreign Mission Board of the Southern Presbyterian Church, delivered a most interesting address on the work in Brazil at the Second Presbyterian Church Sunday morning.

Judge W. N. Ashman, of the Orphan's Court, of Philadelphia, will deliver the address at the men's meeting at the Young Men's Christian Association next Sunday afternoon. Judge Ashman has been on the bench for twenty years.

The splendid revival meetings that have been in progress at Denny-Street Methodist Episcopal Church closed Sunday night.

Twenty new members were received into the church at the night service.

Dr. W. T. Detleux will preach a special sermon next Sunday to the Odd Fellows of the city.

WRECK ON SEABOARD.

Passenger Train Ran Into Open Switch—No One Seriously Hurt.

The Seaboard Air Line passenger train, No. 27, south bound, was wrecked near Crawford, forty miles south of the city, yesterday afternoon. The train took an open switch, wrecking completely the engine and the mail and baggage cars. The switch is said to have been thrown by a negro boy, who was seen tampering with it a few minutes before the arrival of the train. As it was known to be securely locked, it did not occur to any one that he had opened it. However, after the wreck occurred examination showed that the switch, though locked, was open.

The escape of Engineer Buckner and his fireman was almost miraculous, as the engine struck a freight car on the siding, loaded with 1-inch board, which were run through the boiler and formed a shed over the cab they occupied. No one was seriously hurt, and the only injury is said to have been to a baggage car, which had his arm badly sprained. The wreckage blocked the track for several hours, delaying the north bound train three hours.

Jackson Quirk, the small negro boy, admitted opening the switch, and was placed in jail.

meeting of the Church Council about May 13th. He will certainly have to remain with those without the fold. This matter came up last night at the church meeting held in the basement of the Fifth-Street Church, in the form of a report from a committee appointed some time ago to inquire into the circumstances of a deacon's expulsion from the First Baptist Church. This committee recommended that the matter be referred to the Church Council, which was endorsed by the deacons, and that course was decided upon.

John Mitchell is one of the best known colored citizens of Richmond and a man of considerable ability. He has made application to become a member of Fifth-Street Church, and that church has deemed it best before receiving him to investigate the recent trouble in the First Church, which led to his excommunication.
